1010-11**BAILEY'S
BIKE
BITS**

When the very best Bicycle produced in America is quoted at \$50, you may be sure that rock bottom has been reached. I venture to predict that an end has come to those annual reductions that have so demoralized trade. Only the finest of equipments, with rigid economy of management, can produce such a marvel of cheapness as a standard American Bicycle at the prices quoted in advance for '99. Do not look for any more sweeping reductions. Capital must have fair returns, and the American artisan will have good wages.

A few more second hand Bikes at \$15, also New Guaranteed Bicycles at \$30; only a few left. Bicycles kept in running order and punctures repaired at \$1 per month. Repairs for all Bicycles at BAILEY'S HONOLULU CYCLERY
